Celle-ci était la véritable lumière, celle qui, en venant dans le monde, éclaire tout être humain.

John 1:9

Un THE STORY BEHIND THE STORY

"Where has there ever been a vision that was worth striving for that didn't have significant challenges?" asked Greg Boyd as the church considered their goals. These words strike a strong chord with us as we strive to get to Germany. We've also seen challenges. In the month of May we had a rash of canceled appointments. We mentioned this and asked your prayer in a newsletter, only to see our cancellations increase! The enemy ramped up his attack, and in the next two weeks over half of our appointments fell through. Desperate, we sent an email to our prayer team asking their help, and in the following two weeks there was only one cancellation – a couple having a baby. There is more here than meets the eye, an unseen story behind the story! This is a spiritual battle we're waging, so your prayers are vital!

Deux SNAPSHOT

During this same period, Dan set an appointment with a couple from church. That day, Mark talked with his wife about canceling. At work he felt burdened by the "tyranny of the urgent." The steady thought in Mark's mind was "I don't have time for one more thing." Thankfully, they did take the time to meet with Dan, and while they talked Mark recognized the pressure he felt that day. He felt strongly there was something bigger going on than their family or his job. He saw that the enemy was trying to dissuade him from meeting Dan, persuading him even more of

the potential impact of our ministry. If Satan is fighting this hard against us, God must have big plans!

Trois GOD SIZED HOPE

So what is the hope that keeps us trudging onward? This is what God has called us to: helping the 23 countries in Western Europe more effectively reach 16 million college students with the Gospel. How will we do this? We'll work with them to develop large net evangelistic tools modeled after EveryStudent.com, Campus Crusade's evangelistic web site that reaches hundreds of thousands with the message of Christ.

Imagine the expanded reach of the three staff members in Greece with a Gospel sharing web site in Greek, or the lone campus staff in Portugal with a site in Portugese! We will equip Western Europe to sew broadly and give each student on every campus a chance to hear the Gospel.

Please pray...

- that we find a cost effective means of moving our family to Germany.
- that we break the 90% barrier for our monthly support.
- for us, Dan and May, that we make time to connect every day.

Enjoying and praying for you – His abundant blessings,

Dan & May
