May, 2010

Celle-ci était la véritable lumière, celle qui, en venant dans le monde, éclaire tout être humain.

## un GET READY, GET SET

"He who fails to plan, plans to fail," according to the Sphinx from the movie Mystery Men. Sometimes we find wisdom in unusual places. Planning is not Dan's strong suit, so transitioning to campus director is stretching his capacity. This past month has been full of planning meetings, with staff members on his team and with key students. It was encouraging sitting around a large table eating homemade pizza and hearing people's thoughts, vision and hopes for next year. One thing is certain, God has gifted each one, and Dan wants to put everyone in the best position to use their gifts. We need a plan that gives us good structure and enough flexibility for God – who is at the center of all of this – to work through us. Please pray for the team of staff: Melissa, Halle and Tereza, and students: Jérémie, Palmyre, Jean-Pierre and Sophie, for vision and dependence on God. We can't wait to see what He does. Some of Dan's projects before September are: remaking the Rennes Campus web site, preparing a Facebook publicity campaign for questions2vie.com, and designing new flyers and posters. By the way, Dan also needs to plan for our 14<sup>th</sup> anniversary and our summer vacation...

*"Daddy, when you do a new bedroom for us, do you think you could do fuzz instead of wood, because wood is hard. Some kids have fuzz in their rooms."*

## deux NOT SO FAST!

Come watch Silas practice this piece, it's amazing! Indeed it was, his fingers flying through runs while jumping in and out of third position. It's a proud parent's opinion, but Silas is getting good at violin. In just a couple weeks he will be done with his 3<sup>rd</sup> grade English home-school, but the French public schools won't be out until July. This Saturday Efrem will receive his next judo belt, yellow and white. Efrem reads Dr. Seuss books to us now, and seems to grow taller every day. They grow up too fast. May has been enjoying the afternoon sun, trimming and planting between the tiles in our yard. It looks really good. And Dan was able to get the whole hard wood floor down this past weekend. His knees didn't even whimper. Thanks for praying!

*Please pray...*

- that Dan is able to plan for all of the important events coming up, the Paris Art Project, our 14<sup>th</sup> anniversary, summer vacation, and the next school year.
- for continued health and a close walk with the Lord.
