Celle-ci était la véritable lumière, celle qui, en venant dans le monde, éclaire tout être humain.

## un À LA CARTE

French students are all different, and there is no simple recipe for making the gospel clear and relevant to them. So every week we propose a different activity, to reach out in a variety of ways.

**J'ai Faim** (literally translated, "I'm hungry") is an outreach to homeless people. More and more students are showing up to step out of their comfort zone and share a hot bowl of soup, sandwich, and a listening ear to homeless people on the street.

**Thé-O-Show** (thé as in tea or also théologie) is an open discussion night hosted in a tea shop downtown. In this warm environment we explore themes like forgiveness, chance, beauty and friendship. Tables try to best each other answering a funny quiz, then we dig into more meaty questions, discussing them over a warm mug.

**Refresh** is a time to build Christians in their faith, through worship, teaching, discussion and prayer. This meeting takes place on campus in a room provided by the University for religious organisations, almost unheard of in France.

## deux ENTHUSIASM

The other night Dan got a call on his cell phone from Jean-Pierre (J-P). They hadn't seen each other in a while. J-P asked if the team was going on campus the next day to do some evangelization. Dan answered that yes, we were going to a campus in the center of town. J-P then asked if it would be okay if he came along. Well OF COURSE. Isn't that exactly what we're hoping for?! Jean-Pierre is such an encouragement. He is often MC for our events and is a talented musician. His enthusiasm is contagious, and we thank God for bringing him to Rennes. After all, ministry is really about people, not events!

## LEAPS AND BOUNDS

**Trois** Efreim is advancing by leaps and bounds in school. His reading and spelling keep getting better in both English and French. Here in first grade they skip printing and go straight to cursive writing. We've updated the signatures, and below is a "powum" Efreim wrote for your reading pleasure:

I Rest in a nest. I fell down in The west.  
on a vest. With The Best.  
a powum.

### Praises...

- for all the enthusiastic students involved with us!

### Please pray...

- for the Thanksgiving outreach next week
- that we fill the mini-bus (a 9 seater) with students to go to the New Years Conf.
